

13.30 GDP Annualised (Q1F)

Expectation 3.0% Previous 3.0% Range (2.8%, 3.4%)

13.30 Corporate Profits

Expectation 2.4% Previous 2.1% Range (2.0%, 6.0%)

13.30 Core PCE Q/Q

Expectation 0.6% Previous 0.6% Range (0.6%, 0.6%)

13.30 GDP Final Sales

Expectation 1.4% Previous 1.4% Range (1.0%, 2.1%)

The risks for these numbers are tilted on the downside. There has been talk of a significant revision lower based on the raft of poor data we have seen over the last month. Therefore a slight beat for the headline GDP number may be taken very positively for the market.

14.55 U. Of Michigan Confidence (F)

Expectation 75.5 Previous 75.5 Range (73.6, 77.0)
